Sir,

Subject:- Re: Site belonging to Vyasarayaswami Mutt in Krishnamurthypuram, Mysore

---

With reference to your letter No L 4447 dated 7th December 1940 calling for a report in the matter, I have the honour to state as follows

The Vyasarayaswami Mutt had a dilapidated building in Old Agrah Mysore City This building was acquired by the Trust Board in the year 1906 and a compensation of Rs 440/- was paid for the same

In December 1906, the Muzrai Secretary wanted a site for the co struction of a Vyasarayaswami Mutt at Mysore As per Government Order No 3618-8 dated 22nd January 1907 a site in Weavers' Lines, measuring 484 square yards was sold to the Mutt for Rs 605/- The Title-deed in respec of this land was also issued to the Mutt authorities on 6th September 190

As an additional bit of land to serve as camping ground for the retainers, carts, elephants, etc , of the Mutt was found necessary, Gover ment in their Proceedings No 886-8/Muz F 741-11-8 dated 7th November 1914 wanted to know the terms upon which the Trust Board would be willing to grant the said additional plot or ground to the north of site already giv The Trust Board in their Resolution No XXI dated 26th June 1916 resolved allot the land measuring 3320½ sq yds , and the same was approved by Gove ment in their Order No 1305-8/Muz 741-11-14 dated 25th November 1916 So in the year 1916 an additional bit of land measuring 3320½ sq yds ,(less 152 sq yds , subsequently taken back, by the Trust Board for constructin a drain) was allotted for being added on to the above site at a cost of -

destroyed vide slip below

-do-

Rs 792-2-0, subject to the condition that the above plot of land and the one to its south already sold for purposes of the Mutt, be enclosed by a compound wall and the construction of the main building be commenced within three months of their taking charge of the site, that the building be completed in about one year from the date of - commencement, that plans be submitted for approval of the Board

On 25th June 1918 the Muzrai Superintendent was requested to obtain and forward a Mutchalika from the Swamigalu of the Mutt - ~~building~~ binding himself to the above terms But, he replied on 2nd July 1918 that, as the Mutt was under Government Management, Government had to arrange to put up the building and that a Mutchalika from - the Swamigalu was therefore unnecessary

Again, on the 25th November 1920, the Muzrai Superintendent was intimated that it was not possible to allow the site to lie vacant and un-built for any length of time as it was causing much nuisance to the adjoining locality Therefore he sent a plan and estimate for Rs 2,900/- for constructing a compound wall At this stage a small strip of land measuring 152 sq yds , (out of 3320½ sq yds , given for the 2nd time) was taken by the Trust Board for the construction of the drain and as the remaining extent of 3,168½ sq yds , together with the 4,840 sq yds , given at the first instance formed an irregular site it was proposed by the Trust Board to make the area rectangular by further adding adjoining strips aggregating to 1,330½ sq yds , and this was approved by Government in their Order No 4593-5/Muz 548-21-2 dated 21st February 1922 Accordingly an extra bit of land measuring 1,330½ sq yds , at a cost of Rs 332-10-0 was added on the construction of the compound wall was then taken up While the compound was progressing at the instance of the Mutt the Muzrai Commissioner in his letter No C 13/23-24 dated 9th July 1923 wanted to know that if a bit of land to the west of the site already given might be added on Accordingly an additional bit of land measuring 1040 44 sq yds at a cost of Rs.260-12-0 was added on (Muzrai Commissioner intimated in this Office letter No 739 dated 22-11-24)thus bringing the whole area allotted so far to the Mutt into 10,379 44 sq y

the total cost recovered being Rs 1,989-14-0 A statement showing the area given to the Mutt from time to time is enclosed

In the year 1923, when the Muzrai Commissioner requested that the Title-deed and other papers connected with the site might be sent to him for transmission to the Mutt, a reply was sent from this office stating that under the existing standing orders of -- Government, Title-deeds are issued only after the site is built -- upon He was also requested to advise the authorities concerned to arrange for the needful as early as possible

As no arrangements were made to put up a building on this site, the Vice-President to the Advisory Committee for the Mutt was informed on 2nd February 1937 that the site would be resumed if -- building was not commenced within 3 months A copy of the letter was also sent to the Muzrai Commissioner requesting him to advise the Mutt authorities in the matter In reply, the Muzrai Commissio in his letter dated 28th May 1937 stated that there was no sufficien cash balance at the credit of the Mutt to undertake any large building, and stated that an estimate for a building costing Rs 3,000/- might be sent The site was also inspected by the Muzrai Commissioner in June 1937 He was also informed that as it was stated that the Mutt had no sufficient cash balance at its credit to undertake any large building, the site (sites excluding the one originall granted in respect of which Title-deed had been issued) would be resumed and that as a special case, the full value of the site paid by the Mutt authorities would be refunded to them instead of forfeiting 25% as per rules etc In reply the Muzrai Commissioner stated in - his letter dated 17th August 1937 that the Agent of the Mutt had bee informed of this and that as the Muzrai Department was not interfering with the internal affairs of the Mutt, the Agent had been requested to settle the matter by directly corresponding with the Trus Board

Inspite of all this, the Mutt authorities failed to put up a building on this site, the entire site, reserving 180' x 242' 4,840 sq yds , of land in respect of which Title-deed had already

been issued, was therefore resumed The Mutt authorities were intimated of the fact on 24th August 1937 and they were also requested to take back the amount due to them as per rules

Out of the resumed area 5 sites were formed, of which 4 have been disposed of The amount that is now ready for refund to the Mutt authorities is Rs 1,384-14-0 without forfeiting 25% as per rules (vide margin for details) plus Rs 232-13-0 being the value of compound wall and gates taken over by the Trus Board allowing fo depreciation of walls on all Rs 4,617-11-0 (details as per enclosed working sheet)

Land sold		Cost recovered			
(1) 4840 sq yds	Rs	605	0	0	(Title-deed issued)
(2) 3168½ "		792	2	0	
(3) 1330½ "		332	10	0

Cost of constructing compound wall & gates allowing for depreciation*		3,232	13	0	(* as per enclosed working sheet) (To be allowed)
Total to be refunded	Rs	4,617	11	0	

There are bits of land to the north (measuring 242' x 16' = 430 2/9 sq yds) and to the west (measuring 98' x 8' = 87 1/9 sq yds , and $\frac{98' \times 70.82'}{2}$ =827 5/9 sq yds) of the area kept reserved for the Mutt and also one full site measuring 83'x101' = 931 4/9 sq yds These bits and this site will be given to the Mutt authorities if they pay the rate Rs 2/- per sq yd which is fixed by the Board for lands here

MYSORE

Dated 18th/24 September 1941

Re - Refund of value of Vyasarayaswamy Mutt compound taken up by the Trust Board

1) (a) Total area of site originally granted to the Mutt	10,379 44 sq'	
Value paid by the Mutt for the above	Rs 1,989 14 0	
(b) Area now reserved for the Mutt	4,840 sq yd	
Value of the above area	605 0 0	
(c) Area resumed by the Board (10,379 44 - 4,840)=	5,539 44 sq	
Cost to be refunded towards the above area (1989-14-0 - 605-0-0)	Rs 1,384 14 0	
2) Length of compound wall built by the Mutt is	1,223 R ft	
Cost of compound wall including two iron gates	Rs 4,943 0 0	
Deduct cost of gates measuring 29' in all	974 10 0	
Balance cost of (1223-29) = 1194 R ft of wall	Rs 4,968 6 0	
Therefore cost per R ft $\frac{3968-60}{1194}$ - Rs 3-5-2		
Length of compound wall restored to Mutt = 422 R ft		
Value of above 422 x Rs 3-5-2 = Rs 1,402-4-4		
Therefore value of remaining length of compound wall viz , 1194 - 422 = 272' - (Rs 3,968-6-0 - Rs 1,402-4-4)	Rs 2,566 1 8	
Add to this cost of gates in the above length	974 10 0	
Total	Rs 3,540 11 0	
The wall was completed in Decerber 1927		
For the first 5 years, no depreciation is necessary From the sixth year onwards, the depreciation is allowed at the rate of 1% per year		
Therefore Depreciation on Rs 3,540-11-0 @ 8 2/3% from December 1932 to August 1941	Rs 307 14 0	
Balance amount to be refunded towards compound wall) = (Rs 3,540-11-0 - Rs 307-14-0) =	Rs 3,232 13 0	
3) Total amount to be refunded towards site and compound wall (1) plus (2) = (Rs 1,384-14-0 plus Rs 3,232-13-0)=	Rs 4,617 11 0
